Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

This communication is in response to Applicant's amendment D, Paper Number 15, that was filed 2 January of 1992.

Applicant's reply received 2 January of 1992 is not deemed to be fully responsive to the prior Office action because it does not address any of the rejections made in that action. Since the period for response set in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 C.F.R. § 1.136(a).

The date on which the corrected response, the petition under 37 C.F.R. § 1.136(a), and petition fee are filed will be the date of the response and also the date for determining the period of extension and the corresponding amount of the fee. In no case may an applicant respond later than the six month statutory period or obtain an extension for more than four months beyond the date of response set in an Office action.

Any inquiry concerning this communication should be directed to John D. Ulm at telephone number (703) 308-4008.
